

TRANSPORTATION AT THE AMAZING BRENTWOOD

As a walkable community with SkyTrain connected, The Amazing Brentwood is committed to offering a lifestyle where car ownership is optional. Here are some of the transportation options available to you as a resident:

FREE TRANSIT

If you do not need a parking stall, you may be eligible for a free one-year, two-zone transit pass. Please ask us for details.

CAR SHARING

There will be three MODO and nine Car2Go cars in designated stalls on level P1 of the parkade. More cars will be added as additional towers are completed.

RIDE SHARING

With ride sharing recently introduced to Metro Vancouver, The Amazing Brentwood will soon offer designated pick-up areas to make the process easy for passengers and drivers.

ASSIGNED AND WAITLIST PARKING

If you would like to be added to our parking waitlist, please let us know. We will notify as soon as parking is available and give you the option to remain on the waitlist if you choose not to accept an available stall.

If you accept a complimentary transit pass, you cannot be added to the parking waitlist until the pass expires.

A friendly reminder that parking is separate from your lease and does not impact the terms of your tenancy agreement. For example, your lease cannot be made contingent on parking availability. Please note that the waitlist will be addressed on a first-come, first-served basis.
